

## About us

End2endacademy are an accredited training provider in; management development, lean operational improvement, project and change management.

All courses can be customized and delivered for you 'in house' or your staff can attend the 'open' programmes and courses, with accreditations.

All of the modules are designed to potentially enable external accreditations from internationally recognized accredited bodies, such as;

- Chartered Management Institute Level 5 and Level 7 Programmes
- PRINCE2 Foundation and Practitioner
- Change Management Foundation
- Agile PM Project Management Foundation and Practitioner

## Chartered Management Institute Management Development accredited courses

CMI is the only Chartered body in the UK that awards management and leadership qualifications, and the only body that awards Chartered Manager, the ultimate recognition of the professional manager.
